

EXCEEDING EXPECTATIONS

At MPS we are strong believers in the importance of security vetting and its place as a frontline defence against threats to the security of both the Nation and the Australian Government.

Who We Are

We are the most experienced security vetting agency in Australia. Assessing over 60,000 security clearances for AGSVA over the last 10 years. We are trusted by the Commonwealth to deliver services to the highest standards required to protect our nation's most sensitive information.

We ensure that only individuals with the highest level of integrity, loyalty and reliability are entrusted with Australia's nationally sensitive information.

Our Values

Collaboration

- We work with others and celebrate our achievements
- We seek feedback and making sustainable change
- We share our knowledge and support others

Helping others

- We seek out ways to help team members and support them as needed
- Our team provides a positive experience for each other and our clearance subjects

Integrity

- We take responsibility and accountability for our actions
- We treat others with dignity and respect
- We behave in a professional manner

APS Values

Impartial

We are apolitical and provide advice that is frank, honest, timely and based on the best available evidence.

Committed to service

We are professional, objective, innovative and efficient. We work collaboratively to achieve the best results for the Australian community and the government.

Accountable

We are open and accountable to the government.

Respectful

We respect all people, including their rights and their heritage.

Ethical

Demonstrate leadership, are trustworthy, and act with integrity.

Stewardship

We build capability and institutional knowledge, supporting public interest now and into the future. We understand the long-term impacts of what we do.
